WHO WE ARE

Company Profile

Mrinmoyee was founded to serve customers with standard, high-quality and affordable commercial and industrial cleaning equipment and tools — a wide range of quality products for every category of cleaning.

Our parent body CCASL has led the cleaning and hygiene business in India for the last 30 years. As a leading manufacturer in Eastern India, we put our customers' needs ahead of our own commercial interest. Every Mrinmoyee product is made for the end user: durability, quality, performance, process efficiency and the highest return on investment. We aim to reach every customer in India, wherever they are, and serve them with our best effort.

We have extended into retail with our new brand **C3**, made exclusively for the retail range in our own factory, and opened our own warehouses in Delhi and Mumbai. Today we export to more than 15 countries.
